About Early Childhood Development Agency

The Early Childhood Development Agency (ECDA) was set up in 2013. ECDA oversees the regulation and development of infant, childcare, and kindergarten services for children below the age of seven. To achieve the vision of giving every child a good start, the agency works in partnership with stakeholders to ensure that every child has access to affordable and quality early childhood development services and programmes.

Subsidies And Financial Assistance Schemes For Singapore Citizen Children

Infant and Childcare Subsidies (collectively known as subsidies)

- Basic Subsidy: All are eligible, with more subsidies for applicants who are working*
 - Additional Subsidy: Applicants who are working* and with gross monthly household income of \$12,000 and below or per capita income of \$3,000 and below
-

Child Care Financial Assistance (CCFA)

- For lower-income families who face difficulties paying fees even after receiving Basic Subsidy and Additional Subsidy
 - Applicants who are working* and with gross monthly household income of \$3,500 and below or per capita income of \$875 and below
 - Children are enrolled in an affordable preschool
-

Start-Up Grant (SUG)

- Assist with the initial costs of enrolling a child in a preschool, capped at \$1,000 per child (inclusive of GST, if applicable), and covers the registration fee, deposit, school uniform, insurance, and mattress
- Applicants who are working* and with gross monthly household income of \$3,500 and below or per capita income of \$875 and below
- Children are enrolled in an affordable preschool

* *A working applicant refers to a mother or single father who works at least 56 hours per month and this includes full/part-time and freelance work arrangements.*

New Subsidy Application Process Via LifeSG

ECDA has introduced a new Preschool Subsidy Application process on LifeSG to enhance service delivery for parents. This provides a streamlined and guided approach for parents to apply for preschool subsidies, directly with ECDA.

Parents can look forward to the following:

- Digital application for preschool subsidies directly to ECDA, instead of going through the preschools.
- Convenience as parents can apply for subsidies through Singpass and pre-fill the form (where possible) using Myinfo data.
- Intuitive form that guides parents on the application workflow and provision of supporting documents where required.
- Application status tracker on LifeSG app which notifies parents when there is an update on their applications.

ECDA has also enhanced the means-testing process, such that all preschool subsidy and financial assistance applications will be means-tested through the Household Means Eligibility System (HOMES), instead of through ECDA's means-testing system. HOMES is a national system that consolidates means-testing for various public assistance schemes to determine the appropriate level of support for families more efficiently and accurately.

For more information about HOMES, please view the Ministry of Health (MOH) website listing of e-Services at www.moh.gov.sg/others/e-services or directly access the website <https://www.homes.gov.sg/eservice/>.

How Do Parents Enrol And Apply For Subsidies?

Enrolment into the preschool

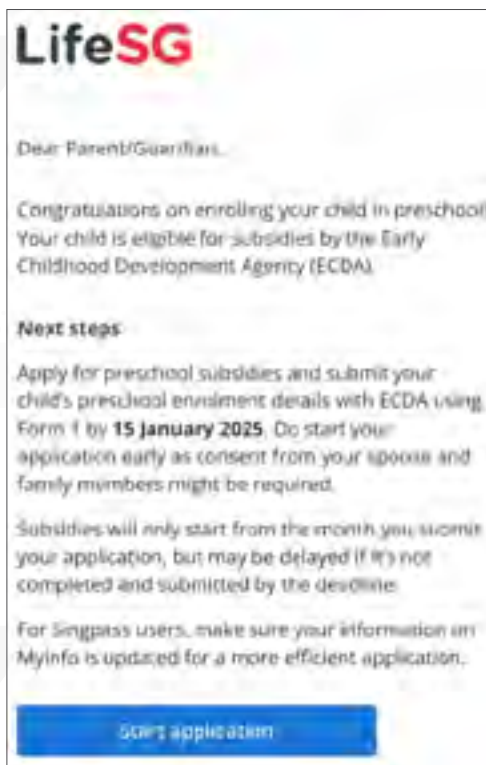

The preschool will continue to facilitate the enrolment of the child as per the preschool's practice. This may include the completion of the preschool's enrolment form, collection of deposit fees, uniform sizes etc.

Submission of Enrolment Details and Application of Subsidies

On or after the child's first day of enrolment in the preschool, the preschool will trigger the Form 1 in LifeSG for parents to submit enrolment details and apply for subsidies with ECDA.

The link to the LifeSG Form 1 will be sent to the main applicant via email. Notifications will also be sent via SMS and LifeSG app.

If the main applicant did not receive the form link or is unable to access it, please contact the preschool to confirm if they have triggered the form correctly. If necessary, the preschool can withdraw the wrong application and trigger a new form with the correct details.

How Do Parents Enrol And Apply For Subsidies?

When the main applicant receives the form link, please **check the child's details and programme details in the email are correct.**

- If incorrect, the main applicant may withdraw the form via LifeSG as per the instructions in the email.
- The main applicant should inform the preschool to re-trigger a new form link with the correct details.

The form must be completed within **14 calendar days, in addition to the day the preschool triggered the form** (e.g. if the form was triggered on 1 Jan, the form must be completed by 15 Jan). This includes obtaining (i) **consent** and (ii) any **additional information which the other parent or family members may be required to provide** (where applicable).

If application is not submitted within 14 days, the form will be cancelled and parents will have to ask the preschool for a new form. This delay in the subsidy application may result in parents having to pay unsubsidised school fees until they complete the application and subsidies take effect.

How Do Parents Enrol And Apply For Subsidies?

STEP 1

Main applicant – Refer to the email

Refer to the email and click “Start Application”.

The main applicant will be brought to the LifeSG landing page.

STEP 2

Main applicant – Log in with Singpass

All Singapore Citizens (SCs), Permanent Residents (PRs) or Foreign Identification Number (FIN) holders are required to log in with Singpass.

- Using Singpass enables automatic filling up of some fields with government-verified information from Myinfo, allowing for a smoother and faster application experience.
- The main applicant should make sure that the information on Myinfo is updated for a smoother application.

Form 1: Submit preschool enrolment and apply for subsidies

Parents or guardians must submit their child's enrolment details to the Early Childhood Development Agency (ECDA) using Form 1 after enrolling in infant care, childcare, or kindergarten. For Singaporean children, this form can also be used to apply for subsidies.

Log in with Singpass

Log in with email

Please log in with Singpass to start your application. If you do not have Singpass, please register for an account. If you're not eligible for Singpass, log in with the same email you provided to the preschool.

- If the main applicant does not have a Singpass account, they may register for a Singpass online at www.singpass.gov.sg or at Singpass counters¹ at the community centres. As it may take up to 5 working days for the Singpass password to be mailed, the main applicant is strongly encouraged to register for a Singpass account as early as possible.
- If the main applicant does not qualify for a Singpass account, they may access the form using their email address, passport/BC number and reference number stated in the email sent by LifeSG. However, they will not be able to benefit from the pre-filling function and will have to complete the form manually.

¹ Please locate the Singpass counters here:
<https://www.singpass.gov.sg/home/ui/counter-locations>

STEP 3

**Main applicant –
Verify the child’s details and programme details**

The main applicant should verify the child’s programme details.

- If there are any errors, withdraw the form so that the preschool can resubmit a new email and form with the correct details.
- Please note that withdrawal of the form to correct errors will not affect the child’s enrolment in the preschool.

STEP 4

Main applicant – Verify the details, and provide information of the other parent

The image displays three screenshots of the LifeSG application form. The first screenshot, titled 'Your details', shows a section for 'Your personal information' with fields for name, date of birth, and contact details. The second screenshot shows fields for 'Home number', 'Local mobile number', 'Email', 'Relationship to child', and 'Marital status'. The third screenshot, titled 'Other parent's detail', shows fields for 'Name', 'Relationship to parent', 'Email', 'Phone number', and 'Local mobile number'. Below these is a section for 'Provide additional details about your family situation' with a question about spouse incarceration or mental incapacitation.

The main applicant's personal information will be retrieved from Myinfo and the data is not editable. The main applicant should verify that the details are correct.

- If the details from Myinfo are incorrect, please contact Immigration & Checkpoints Authority (ICA) to make the required changes before continuing with the LifeSG form completion.
- It typically takes 1 to 3 working days for Myinfo details to be updated.

For ECDA to determine the family's subsidy eligibility, both the main applicant and the other parent have to provide consent to allow ECDA to access personal information.

The main applicant will be asked to provide the other parent's name, ID and contact details. The form will be sent to the other parent after the main applicant has completed their section.

How Do Parents Enrol And Apply For Subsidies?

STEP 6 Main applicant – Apply for Per Capita Income (PCI)

Larger families with 5 or more family members may apply for higher subsidies under the PCI approach.

The main applicant will be required to provide the details of each household member in this section.

- Information of the main applicant, the other parent (if applicable) and the child should be excluded from this section, as the data have been collected.

Per Capita Income (PCI)

This section assesses your household's Per Capita Income (PCI), which is the monthly income per person in your household. **Larger households** can have their PCI assessed to receive higher subsidy. This is assessed on a case-by-case basis.

Eligibility

- There must be at least 5 family members in your household.
- All your family members must be related by either blood, marriage, or legal adoption.
- All family members must have an NRIC, FIN, or Singapore birth certificate number, and have the same registered address as the applicant.

How Do Parents Enrol And Apply For Subsidies?

Application for Child Care Financial Assistance (CCFA) and/or Start-Up Grant (SUG)

To provide greater convenience, eligible parents who wish to apply* for CCFA and/or SUG may do so via the LifeSG Form 1, at the same time that they apply for preschool subsidies. Additional steps required are indicated below at steps 7 and 8.

*Please note that:

- Parents who are applying for CCFA and SUG **via self-referral** can do so via the LifeSG Form 1, together with the subsidy application.
- Parents who are applying for CCFA and SUG **via agency-referral** must submit their Letter of Recommendation (LOR) to preschools before the LifeSG Form 1 is triggered. If the LOR is not ready, preschools can trigger the LifeSG Form 1 without including CCFA and SUG details, allowing ECDA subsidy applications to be completed independently. Once LOR becomes available, parents will need to submit a separate CCFA and SUG application via hardcopy Form 2 through the preschool.

All CCFA and SUG applications will be assessed on a case-by-case basis.

Reasons for Applicant

Downloaded from <http://ajphaphysiol.org/> at University of California, San Diego on June 11, 2015

- [illegible]

a) Via self-referral

If the CCFA eligibility criteria is met and the main applicant wishes to apply for CCFA via **self-referral**, select the options accordingly and indicate the CCFA application reasons.

The main applicant will be prompted to provide relevant supporting documents in a later section based on the CCFA application reason(s) selected.

How Do Parents Enrol And Apply For Subsidies?

STEP 7

Main applicant - Indicate interest to apply for Child Care Financial Assistance (CCFA)

b) Via agency-referral

If the main applicant is applying for CCFA via **agency-referral** and has already submitted the LOR to the child’s preschool before the LifeSG Form 1 is triggered,

- The main applicant will see the CCFA application and LOR details automatically displayed in the LifeSG form.
- The main applicant should verify that the LOR details are accurately reflected.
- If there are errors, the main applicant should withdraw the application and inform the preschool to retrigger a new LifeSG application with correct LOR details.

Child Care Financial Assistance (CCFA)

CCFA provides monthly fee assistance to lower-income families who require help with paying the monthly fees even after receiving Basic and Additional Subsidies due to difficult family circumstances.

Letter of Recommendation (LOR)

Care worker name	You
Xia Hong Fen, Jesu	Jesu@agency.gov.sg
Recommended top-up payment amount	Recommended duration of assistance
\$320	1 Jan 2025 - 31 Dec 2026

If this LOR benefits any children:

☒ Yes (How do you know?)

☐ No (What has happened to them that will give them a continuing need?)

When using this LOR, you will not affect your child's recommended Basic and Additional Subsidies amount.

You have submitted your Letter of Recommendation to the preschool and your case worker has recommended your child for CCFA. Please proceed to the next page.

How Do Parents Enrol And Apply For Subsidies?

STEP 7

Main applicant - Indicate interest to apply for Child Care Financial Assistance (CCFA)

b) Via agency-referral

If the main applicant is applying for CCFA via **agency-referral** but **does not have the LOR ready before the LifeSG form is triggered**,

- The main applicant will be prompted to apply for CCFA separately through the preschool, after the completion of the LifeSG application for preschool subsidies.
- The main applicant will not be able to apply for CCFA via agency-referral on the LifeSG form at this juncture.
- Once the LOR becomes available, submit it to the child's preschool so that the preschool can assist to submit a separate CCFA application via hardcopy Form 2.

Child Care Financial Assistance (CCFA)

CCFA provides monthly fee assistance to lower-income families who require help with paying the monthly fees even after receiving Basic and Additional Subsidies due to difficult family circumstances. All CCFA applications will be assessed on a case-by-case basis.

Eligibility

- The child is a Singapore citizen and enrolled in a full-day programme in an **affordable infant or childcare centre**.
- The applicant (mother or single parent) should be working. If not, valid reasons will be required.
- The family's **monthly gross household income** is \$3,000 and below, or **Per Capita Income** is \$870 and below.

How to apply

- **Self-referral:** Eligible applicants without a Letter of Recommendation (LOR) can apply for CCFA directly in this Portal. Supporting documents will be required.
- **Agency-referral:** Only for applicants working with a caseworker and have a Letter of Recommendation (LOR) issued by caseworkers of MSF-approved programmes or agencies. In this case, CCFA must be applied through the child's infant or childcare centre.

If you meet the eligibility criteria, would you like to apply for CCFA?

☒ Yes
 ☐ No

Which type of referral are you applying through?

☒ Agency-referral
 ☐ Self-referral

You must bring your Letter of Recommendation (LOR) to the child's infant or childcare centre within 14 days of submitting this form to apply for CCFA through agency referral.

How Do Parents Enrol And Apply For Subsidies?

STEP 8

Main applicant – Verify Start-Up Grant (SUG) application

a) Via self-referral

- At the point of enrolment, the preschool should ask if parents wish to apply for SUG.
- If parents are keen to apply SUG via **self-referral**, and meet the SUG eligibility criteria, please inform the preschool of the interest so that they can include the SUG application in the LifeSG Form 1.
- The main applicant should verify that the SUG application in the LifeSG Form 1 is as per what was indicated with the preschool at the point of enrolment.

If parents had indicated interest,
SUG application will be included.
No further action is required.

Start-Up Grant (SUG)

A one-time grant to cover the initial costs of starting a child care center.
 1. Apply to the Department of Social Services (DSS) for a license to operate a child care center.

Supporting documents

Based on the information that you've provided, you do not need to upload any supporting documents now. However, ECDA or HOMES may contact you for more details or supporting documents later. Please continue to the next step.

Save and continue

Back

The form will inform if the main applicant is required to upload documents to support the application for preschool subsidies, CCFA and/or SUG. The main applicant can upload the supporting documents as files or use the camera function on the mobile device to upload them as images.

Please note that ECDA/MSF and/or HOMES may contact the main applicant for more details or supporting documents after the form has been submitted.

How Do Parents Enrol And Apply For Subsidies?

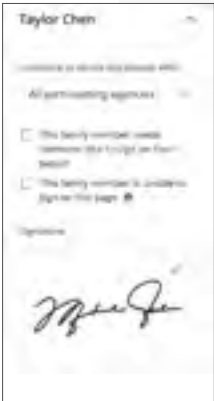

STEP 10

Main applicant – Provide consent and family members’ consent (for PCI cases) at the end of the application

The main applicant will be asked to provide consent at the end of the application.

If the main applicant applied for PCI, the family members (except the other parent) will also need to provide their consent and signatures via the main applicant’s device.

Once the main applicant has submitted, the form will be routed to the other parent (if applicable) to fill up and provide consent.

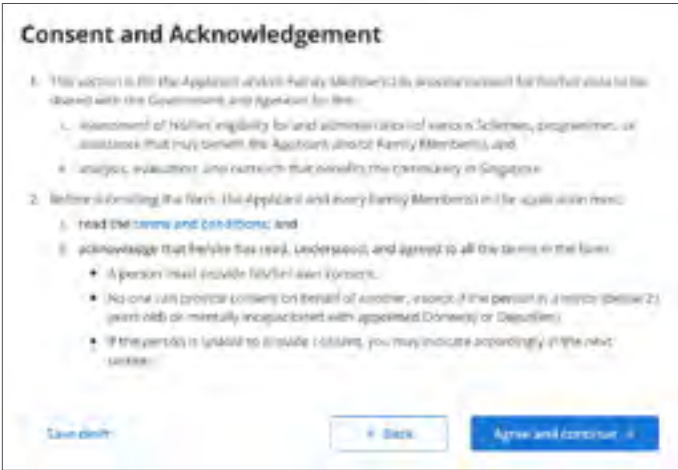

For family members under PCI

Guide to providing consent

1. General consent and declaration

The Consent and Declaration section is for the Main Applicant /Spouse / Family Members:

- a. To enable MSF/ECDA to analyse and evaluate data to enhance policies and develop new social services and public assistance schemes; and
- b. To declare that the information provided in the application is true and accurate.

How Do Parents Enrol And Apply For Subsidies?

STEP 10

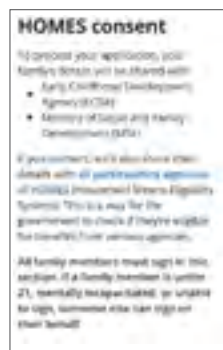

Main applicant – Provide consent and family members' consent (for PCI cases) at the end of the application

Guide to providing consent

2. HOMES consent page

The HOMES consent scope section is:

- For the Main Applicant / Spouse / Family Members to allow HOMES/ECDA to determine the subsidy amount through backend means-testing; and
- To provide parents options on which participating schemes can have access to their personal information needed to assess their or their family's eligibility for their schemes.

There are two options provided for HOMES consent scope:

All HOMES Participating Schemes

This allows all HOMES Participating Schemes <https://www.homes.gov.sg/eservice/ParticipatingScheme> to access personal information needed to assess eligibility for their schemes.

All Schemes administered by MSF and ECDA

This allows only MSF and ECDA Schemes to assess personal information to assess eligibility for the Scheme(s) under MSF and ECDA.

This section must be completed to submit the LifeSG form successfully. This **only applies to applications for SC children who are eligible for subsidies.**

How Do Parents Enrol And Apply For Subsidies?

STEP 10

Main applicant – Provide consent and family members' consent (for PCI cases) at the end of the application

Consenting on behalf

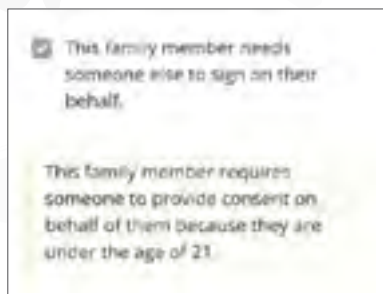

Only a person who is 21 years old and above can consent to share his/her own data. Minors and/or mentally incapacitated persons need an authorised representative to consent on their behalf.

Authorised representative(s)

Minors (persons below 21 years old)

Only the Minor's

- Birth/Adoptive parents (i.e. not step-parent); or if unavailable,
- Legal Guardians

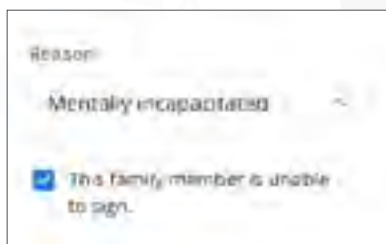

The LifeSG form will guide the main applicant to collect their custodian's consent. Custodian would be required to e-sign directly on the device the main applicant is using.

Mentally Incapacitated (MI)

Only the individual's

- Donee(s) under the Registered Lasting Power of Attorney; or
 - Deput(ies) under the Mental Incapacity Act
- If there is more than 1 authorised representative, all of them should provide their consent on behalf of the MI.

The LifeSG form will guide the main applicant to collect their donee/deputy's consent. Donee/deputy would be required to e-sign directly on the device the main applicant is using.

Note: At least 1 authorised representative is required. Only SC, PR or FIN holder authorised representatives (e.g. FIN holder parent) can consent on behalf of the individual.

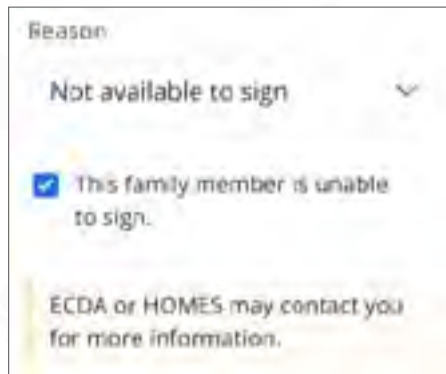

How Do Parents Enrol And Apply For Subsidies?

STEP 10

Main applicant – Provide consent and family members' consent (for PCI cases) at the end of the application

If unable to provide consent

- If a family member (aged 21 years old and above) is unable to provide consent (e.g. studying/working overseas) or there is no authorised person to provide consent on behalf (e.g. a mentally incapacitated person without a Deputy/Donee), applicant may select "This family member is unable to sign" in LifeSG form.
- The main applicant may receive a call from HOMES to verify the status of the family member.

Reason

Not available to sign

☒ This family member is unable to sign.

ECDA or HOMES may contact you for more information.

Other parent, if applicable – Verify their details, provide employment/income information and consent

The other parent will go through the same flow as the main applicant.

The other parent will log in to LifeSG by clicking on “Start Application”, verify their details, provide employment/income information, upload supporting documents (if needed) and give consent to complete the application.

- If the details of the other parent from Myinfo are incorrect, please contact Immigration & Checkpoints Authority (ICA) to make the required changes before continuing with the LifeSG form completion.

The other parent will be able to review the application before submitting the completed form to ECDA.

The other parent may route the form back to the main applicant for edits if they notice any discrepancies. The other parent will not be able to view the main applicant's personal employment/income information.

Need Help?

- If the details from Myinfo are incorrect, please inform Immigration & Checkpoints Authority (ICA) to make the required changes before continuing with the LifeSG form completion. It typically takes 1 to 3 working days for the Myinfo details to be updated.
- If parents experience technical difficulties with the LifeSG app or the application form, please email LifeSG helpdesk at helpdesk@life.gov.sg. The helpdesk operates from 8.30am to 6pm, Monday to Friday.
- For all other non-technical enquiries, parents may approach the MSF Consolidated Hotline (1800-111-2222) or contact@ecda.gov.sg. The hotline operates from 8.30am to 6pm, Monday to Friday, and 8.30am to 1pm, Saturday.

Frequently Asked Questions

Login Process

1. Can I complete the LifeSG form without using Singpass?

All SCs, PRs and FIN holders are eligible to apply for Singpass and **must** use Singpass to complete the form. Using Singpass enables automatic filling up of some fields with government-verified information from Myinfo, allowing for a smoother and faster application experience.

Registration of Singpass account can be done online² at www.singpass.gov.sg or at Singpass counters in person at the community centres³. As it may take up to 5 working days for the Singpass password to be mailed to their address, you are strongly encouraged to register for a Singpass account as early as possible.

2. I do not qualify for Singpass. How do I complete the LifeSG form?

For those who do not qualify for Singpass (e.g. non-FIN holders), you may access the form using your passport number, email address and application ID. However, you will not be able to benefit from the pre-filling function and will have to complete the form manually.

3. I qualify for a Singpass but am not technologically-savvy or do not wish to apply for a Singpass. Can I continue to use the hardcopy Form 1 and apply for subsidies through my preschool?

ECDA plans to digitalise all subsidy applications as part of Singapore's Smart Nation initiative

to enhance public services. All preschools are required to adopt new LifeSG flow. In the steady state, hardcopy Form 1 will be retired.

As such, all SCs, PRs and FIN holders must use Singpass to complete the form. For parents who may need more support, you may approach ECDA Contact or your preschool.

4. My spouse is overseas. How will he be able to log in to LifeSG to complete the form?

Singpass can be used over the internet from anywhere, hence your spouse will still be able to log in to LifeSG using Singpass when he is overseas. Please ensure your spouse has permitted Singpass access from overseas (log in to www.singpass.gov.sg > my account > update profile > access preferences).

² You may refer to the Singpass instructional guide for more details: <https://www.singpass.gov.sg/home/ui/support>

³ You may locate the Singpass counter here: <https://www.singpass.gov.sg/home/ui/counter-locations>

Frequently Asked Questions

Login Process

5. After logging in via Singpass, there is no electronic record of my child's details on LifeSG. How should I proceed?

To begin, your child must first be successfully enrolled in a preschool. The preschool will generate the LifeSG Form 1 for you in our system. If you are unable to locate the electronic record on LifeSG:

- Ensure that your child has started attending classes at the preschool. Your preschool will only be able to trigger the LifeSG Form 1 on or after your child's date of enrolment.
- Contact the preschool to ensure that they have correctly recorded your NRIC, FIN or Passport number when generating the LifeSG Form 1.

6. Who is considered as the main applicant? Can other family members log in to LifeSG to complete the form as the main applicant or on behalf of the main applicant?

The main applicant refers to the mother. If the mother is unavailable for divorced/separated/widowed cases, the main applicant will be the single father.

Other family members (including the spouse) cannot log in to LifeSG to complete the form as the main applicant or on the main applicant's behalf. Only the main applicant would be able to log in to the form using their credentials.

7. Is the LifeSG form mobile-friendly?

The LifeSG form can be accessed via LifeSG web and LifeSG app. Parents can use any internet-enabled device to login.

Frequently Asked Questions

Application Requirements

8. My child is a non-Singaporean and does not qualify for ECDA's preschool subsidies. Do I still need to complete the LifeSG form?

Yes, you are still required to complete the LifeSG form and submit your child's preschool enrolment details with ECDA. This is compulsory for ECDA's regulatory purpose. However, the form will be more streamlined as employment/income information will not be collected.

9. When is the deadline for the LifeSG form?

The form must be completed and submitted to ECDA within 14 calendar days, **in addition to the day the preschool triggered the form** (e.g. if the form was triggered on 1 Jan, the form must be completed by 15 Jan). We encourage you to start the form early, as the deadline includes obtaining (i) consent from the other parent and or family members and (ii) submission of additional information which the other parent or family members may be required to provide (where applicable).

10. I have already provided my details to the preschool through their electronic enrolment form. Why do I need to fill up the LifeSG form again?

The preschool's electronic enrolment form is to facilitate your child's enrolment into the preschool, while the LifeSG form is for you to apply for subsidies with ECDA directly and hence comprises

different data fields. There are some overlapping data fields that will be ported over from the preschool's electronic enrolment to the LifeSG form so that duplication of data entry is minimised.

11. What happens if I am not able to complete the form within 14 calendar days?

The form will be cancelled, and you will have to approach the preschool to request for a new form. This delay in your subsidy application may result in the subsidies being effected at a later date, requiring you to pay unsubsidised school fees for the duration before the effective date of subsidy.

To avoid such a situation, please complete the application within the stipulated time. Do note that the 14-days deadline includes obtaining consent from the other parent or family members (where applicable).

Please note that the cancellation of the incomplete LifeSG form will not affect your child's enrolment in the preschool.

12. If I have multiple children, can I apply for subsidies for all of them at once in the same form?

No, you cannot apply for multiple children in the same form. If you have multiple children to apply for, the preschool will send you separate forms to apply for each individual child.

Frequently Asked Questions

Application Requirements

13. What should I do if the information from Myinfo is wrong?

If any of the form fields automatically filled with Myinfo data is incorrect, you must inform Immigration & Checkpoints Authority (ICA) to make the required changes before you continue with the LifeSG form completion.

www.ica.gov.sg

Hotline: 6391 6100

14. Why can't I give consent on behalf of my spouse?

There are checks on your spouse's details (e.g. NRIC, DOB, citizenship etc) that ECDA requires as part of the subsidy application process, and the consent of your spouse is required to access such checks.

15. I am a single parent (e.g. single, separated or divorced). How should I access and complete the LifeSG form?

Once you have declared your marital status accordingly, LifeSG form will be adjusted such that it will not prompt you to route the form to the other parent. Once you have completed your portion, LifeSG form will be submitted to ECDA directly for processing. Please note that ECDA or HOMES may contact you for more details or supporting documents on your marital status.

16. My wife, who should be the main applicant of the application, is incarcerated and/or mentally incapacitated. How can she access and complete the LifeSG form?

You, as the spouse of the main applicant, should inform the preschool so that the preschool can trigger the LifeSG form using your details. You will then complete the form for both you and your spouse and provide the necessary consent.

17. My spouse is incarcerated and/or mentally incapacitated. How should he access and complete the LifeSG form?

During your completion of the LifeSG form, it will prompt you to declare your spouse's circumstances. Once declared, the form will be adjusted such that it will not prompt you to route the form to your spouse. You may then proceed to complete the form and provide the necessary consent.

Frequently Asked Questions

Application Requirements

18. My spouse and I are both minors aged below 21. How should we access and complete the LifeSG form?

If you are aged 15 and above, the preschool will trigger the form to you as the main applicant. You may still access LifeSG form via Singpass. The LifeSG form will be adjusted to collect consent from your parent/legal guardian.

If you are aged below 15, please inform the preschool. The form will still be triggered to you as the main applicant, but you will need to access LifeSG form using your Birth Certificate number as you are not eligible for Singpass. The LifeSG form will also be adjusted to collect consent from your parent/legal guardian.

19. My family has 5 or more family members. How do I apply for subsidies via Per Capita Income (PCI) approach?

If you have 5 or more family members who are related by blood, marriage and/or legal adoption, and share the same address stated in their NRIC / FIN card / Singapore Birth Certificate as you, you may apply to have your subsidies computed via PCI using the same LifeSG Form 1. The LifeSG Form 1 will prompt you to provide your family members' details, supporting documents (if required) and consent, before you route the form to your spouse for his completion.

20. How do I sign on the LifeSG Form 1?

If the device is a laptop, you can sign via the mouse. If the device is a phone/tablet, you can sign via your fingers or stylus (if you own one). The same will apply for your family members if you apply to have your subsidies computed via PCI.

21. What should I do if I have submitted an incorrect supporting document?

Please inform ECDA via the MSF Consolidated Hotline (1800-111-2222) or contact@ecda.gov.sg. ECDA will get in touch and advise you on the next steps. You may have to make the corrections via LifeSG.

22. Can I save a partially completed form as a draft and complete it later?

Yes, you will be able to save your inputs as draft by clicking on "Save draft". Your inputs will be saved the next time you return to the form.

Frequently Asked Questions

Application Requirements

23. Can I receive Child Care Financial Assistance (CCFA), even after the Basic Subsidy (BS) and Additional Subsidy (AS)? How do I apply?

If you face difficulties paying preschool fees after receiving BS and AS, you can apply for Child Care Financial Assistance (CCFA) via the same LifeSG Form 1, either via the self-referral or agency-referral approach. CCFA's eligibility criteria can be found on the LifeSG Form 1 itself. All applications will be assessed on a case-by-case basis.

- If you wish to apply for CCFA via self-referral, you may indicate directly on the LifeSG Form 1.
- If you wish to apply for CCFA via agency-referral (i.e. you are working with a case worker and have a Letter of Recommendation (LOR)), please ensure that you submit the LOR to your preschool on or before your child's Date of Enrolment. This is to allow the preschool to submit the agency-referral details when generating your LifeSG Form 1.
- If the LOR is not ready, you can proceed to complete the LifeSG Form 1 to apply for preschool subsidies first. Once LOR becomes available, submit it to your child's preschool, so that the preschool can assist to submit a separate CCFA/SUG application via hardcopy Form 2.

24. What if I need assistance with the enrolment costs of my child? How do I apply?

You can apply for the one-time Start-Up Grant (SUG) to cover the initial costs of enrolling your child via the same LifeSG Form 1, either via the self-referral or agency-referral approach. SUG's eligibility criteria can be found on the LifeSG Form 1 itself.

Please ensure that you inform the preschool about your intent to apply for SUG before they generate the LifeSG Form 1. The LifeSG Form 1 will reflect what the preschool keyed into the system based on your decision and cannot be changed through the form.

- If you change your mind and wish to cancel the SUG application, you will need to withdraw the LifeSG Form 1 and inform preschool to retrigger another application.
- If you change your mind and wish to apply for SUG after LifeSG Form 1 has been generated, you must first complete the LifeSG Form 1. Once you have received the subsidy outcome notification, please approach the preschool to apply for SUG via hardcopy Form 2.

Frequently Asked Questions

Application Requirements

25. Can my child who received SUG under a different preschool apply for SUG again at another preschool during enrolment?

No, each child is entitled to receive SUG only once. However, parents may submit an appeal through the preschool with supporting reasons and documents if repeated SUG is required. Each appeal will be assessed on a case-by-case basis.

26. What do 'Other Reasons' under the CCFA self-referral section refer to?

'Other reasons' can refer to any reasons beyond what is stated under CCFA self-referral section. This may include reasons that explain the family's difficult circumstances beyond their financial situation, and why the family requires additional help for preschool fees. MSF will assess applications on a case-by-case basis.

Frequently Asked Questions

Consent Provision

27. Why do my family members and I need to provide consent?

There are two components in the consent declaration:

Component 1 - General Consent and Declaration	
Purpose	i. Ensure compliance with requirement(s) in any statute, subsidiary legislation, Code of Practice and/or for audit purposes (see Consent Clause 12); and ii. Enable MSF/ECDA to analyse and evaluate data to enhance policies and develop new social services and public assistance schemes (as per Consent Clause 6).
Applicable to	All applications, including individuals who do not qualify for subsidy (e.g. non-Singapore Citizen children)
How to provide consent	<u>Applications for children eligible for subsidy:</u> LifeSG Form 1 will display the list of consent clauses, and prompt you, your spouse, and family members (for PCI cases) to declare your consent and declaration via checkbox. <u>Applications for children not eligible for subsidy:</u> LifeSG Form 1 will display the list of consent clauses, and prompt you and your spouse to declare your consent and declaration via checkbox.

Component 2 - HOMES Consent	
Purpose	i. Allow HOMES/ECDA to determine the subsidy amount through backend means-testing; and ii. Provide citizens options on which participating schemes can have access to their personal information needed to assess their or their family's eligibility for their schemes.
Applicable to	Applicant/ Spouse/ Family Member(s) of Singapore Citizen children eligible for subsidy
How to provide consent	LifeSG Form 1 will prompt you, your spouse, and family members (for PCI cases), who are aged 21 years old and above, to indicate which HOMES Participating Schemes can use and share their personal information to determine eligibility for the selected Schemes. There are two options provided: • <u>All HOMES Participating Schemes</u> - This allows all HOMES Participating Schemes (https://www.homes.gov.sg/eservice/ParticipatingScheme) to access personal information needed to assess eligibility for your schemes. • <u>All Schemes administered by MSF and ECDA</u> - This allows only MSF and ECDA Schemes to access personal information to assess eligibility for the Scheme(s) under MSF and ECDA.

Frequently Asked Questions

Consent Provision

28. My child is not eligible for subsidy. Why do we still need to provide consent?

You will need to provide consent under the General Consent and Declaration component.

29. How should we provide HOMES consent?

In the consent section in the LifeSG Form 1, you, your spouse and family members must indicate which HOMES Participating Schemes can use and share your personal information to determine their eligibility for the selected Schemes. There are two options provided:

- **All HOMES Participating Schemes** This allows all HOMES Participating Schemes (<https://www.homes.gov.sg/eservice/ParticipatingScheme>) to access personal information needed to assess eligibility for their schemes.
- **All Schemes administered by MSF and ECDA** This allows only MSF and ECDA Schemes to access personal information to assess eligibility for the Scheme(s) under MSF and ECDA.

30. I or my family member is a minor aged below 21 years old. How should we provide HOMES consent?

Minors require either a (i) Birth/Adoptive Parent⁴; or (ii) Legal Guardian to provide consent on their behalf. Please note that only SC, PR or FIN holder authorised representatives (e.g. FIN holder parent) can consent on behalf of the minor.

If no authorised representative is available, you, as the main applicant, may indicate that the minor is unable to sign in LifeSG Form 1. You will receive a call from HOMES to verify the status of the minor.

⁴ Step-parents are not to consent on behalf of their step-child, since they are not the birth parent. Birth parent(s) consenting on behalf of the child should indicate his/her legal capacity as "Birth Parent", and not "Legal Guardian".

Frequently Asked Questions

Consent Provision

31. My spouse is mentally incapacitated. How should he provide HOMES consent?

On the LifeSG Form 1, you, as the main applicant, has to indicate that your spouse is mentally incapacitated and assist in obtaining the donee's/ deputy's consent for your mentally incapacitated spouse. This is also applicable to any family members who are mentally incapacitated too.

Mentally-incapacitated individuals require either a (i) Donee(s) under the Registered Lasting Power of Attorney; or (ii) Deput(ies) under the Mental Incapacity Act to provide consent on their behalf.

For those with more than 1 authorised representative, please ensure that all of them provide their consent on behalf of the individual. Please note that only SC, PR or FIN holder authorised representatives (e.g. FIN holder donee) can consent on behalf of the individual.

If your spouse has no appointed donee or deputy, you may indicate that the individual is unable to provide their consent in LifeSG Form 1. You will receive a call from HOMES to verify the status of the individual.

32. My family member is overseas and is unable to provide consent. What should I do?

You, as the main applicant, may indicate that "this family member is unable to sign" in LifeSG Form 1. You will receive a call from HOMES to verify the status of the individual and to submit any necessary documents for verifications.

Frequently Asked Questions

Application Outcome

33. How will I be informed of my application status and outcome?

You will be notified by ECDA via email, SMS and LifeSG app on the outcome of your subsidy application or actions you are required to take, where applicable. Preschools will also receive a copy of the email notifications. You can also track the status of your application via the LifeSG app.

34. Who will the notifications on outcome be sent to?

The application outcome will be sent to both the main applicant and spouse. Preschool will also receive a copy of the email.

35. When will I be informed of the approved application outcome?

ECDA assesses parents' eligibility for preschool subsidies as at the point of child's enrolment. ECDA will inform parents of the application outcome within 1 to 4 weeks from the date of submission of the application, depending on whether further clarifications or supporting documents are required. In the meantime, parents may visit ECDA's subsidy calculator to estimate the indicative subsidy amount.

36. Is the monthly programme fee indicated in the application outcome before or after subsidy?

The fees displayed are before subsidies. Please contact your preschool to find out the details for payment of fees.

37. Must I update the preschool if I have a change in income after the outcome is released?

To give you greater certainty over the amount of subsidies you can receive, ECDA has introduced fixed points of assessment. Applicants' working status and household income will be assessed when:

- the child enrolls in a new preschool.
- the child moves from infant care to childcare.
- the child moves from Nursery 2 (N2) to Kindergarten 1 (K1).

Changes in household income between these points of assessment will not affect the subsidies you receive, unless you wish to update ECDA and reapply for new rates of subsidies. For such cases, please approach your preschool directly.
